#### PhD, Master or Fellowship research title: (Academic honors or distinctions)

PhD:	
Master:	
Fellowship:	Fellowship in Nephrology

### **PROFESSIONAL RECORD:** (beginning with the most recent)

#### **University Appointments**

كلية الطب • COLLEGE OF MEDICINE

from	to	Academic Posts	Specialty/Department	Institute & Country
1996	2004	Assistant	Medicine	KFHU - KSA
2004	present	Associate Professor	Medicine	KFHU - KSA

#### **Hospital Appointments**

from	to	Hospital Title	9	Institution	
1996	2004	Assistant		KFHU	
2004	present	Associate Profe	ssor	KFHU	
Specialty:			Medicine		
Subspecialty:	Nephrology				
Areas of Expertise: Nephrology / Peritoneal Dialysis					
Saudi Commission for Health Specialties registration No. 04-k-m-3813 Valid until: Oct 2017			Oct 2017		

#### **Clinical Responsibilities:**

1.	Chairman, Department of Internal Medicine, College of Medicine, University of
	Dammam, Saudi Arabia (September 2011 till present)
2.	Coordinator of Peritoneal Dialysis Unit (2005 till present)
3.	Chief of Saudi and Arab Board residency program at eastern province (2007 till present)
4.	Acting Medical Director of King Fahd University Hospital August and September 2007
5.	Assistant Medical Director of King Fahd University Hospital (2006 – 2007).

# **RESEARCH ACHIEVEMENTS** (beginning with the most recent) Your name should be bold & use rows as necessary

### <u>Published Refereed Scientific Research Papers:</u> (use Vancouver Style, "author-number system")

1.	Percutaneous peritoneal dialysis catheter insertion by a nephrologist: A new, simple
	and safe technique
2.	The influence of increased peritoneal membrane surface area on dialysis adequacy
3.	Intraperitoneal pressure and intra-abdominal pressure: Are they the same?
4.	Vitamin D deficiency in Saudi Arabs.
5.	Plasma myeloperoxidase, NT-proBNP, and troponin-I in patients on CAPD compared

	with those on regular hemodialysis.
6.	A clinicopathologic study of glomerular disease: Experience of the King Fahd Hospital of
	the University, Eastern Province, Saudi Arabia
7.	High Prevalence of Vitamin D Deficiency in The Sunny Eastern Region of Saudi Arabia: A
	Hospital-Based Study
8.	Prevention of staphylococcal peritonitis in CAPD patient combining Ablution and
	Mupricin as original Article
9.	Tunneled cathether-antibiotic lock therapy for prevention for dialysis catheter-related
	infections: A Single Center Experience.
10.	Calciphylaxis of both proximal and distal distribution.
11.	Xanthgranulomatous pyelonephritis associated with staphylococcus aureus
12.	Outpatient percutanous renal biopsy in adult patient university hospital experience
13.	Warfarin versus aspirin in preventing Tunneled hemodialysis catheter thrombosis: A
	prospective randomized study.
14.	Tunneled Femoral Vein catheterization for long term hem dialysis a single center
	experience
15.	Successful prevention of tunneled central catheter blood stream infection by antibiotic
	lock therapy using vancomycin and Gentamycin
16.	Pyoderma Gangrenosum in a renal transplant Recipient as case report.
17.	Coexisting of tuberous sclerosis and fanconi syndrome in two Saudi male sibling.
18.	Aggrenx- associated Acute Interstitial Nephritis.
