5	Transforming Organization through Instructional Leadership and Supervision (TOILS)	J. T. Salvador; S. J. T. Salvador

Contribution to Scientific Conferences and Symposia

#	Conference Title	Place and Date of the Conference	Extent of Contribution
1	3 rd Java International Nursing Conference 2015	Java, Indonesia August 2015	Abstract Reviewer
2	Emergency Care: The Golden Hour and Beyond	University of Dammam, KSA February 2015	Resource Speaker

Membership of Scientific and Professional Societies and Organizations

- Sigma Theta Tau International – Honor Society of Nursing (STTI) (Pi Iota/Alpha Eta Chapters)
- International Network for Doctoral Education in Nursing (INDEN)
- International Academic Nursing Alliance (IANA)
- Philippine Nurses' Association (PNA)

Teaching Activities

Undergraduate

#	Course/Rotation Title	No./Code	Extent of Contribution (no. of lectures/Tutorials. Or labs, Clinics)
1	Pediatric Nursing	1410-431	Lecture/Clinical
2	Critical Care Nursing	1410-412	Lecture/Clinical
3	Nursing Management and Leadership	1410-421	Lecture/Clinical
4	Fundamental of Nursing 2	1410-252	Clinical
5	Geriatric Nursing	1410-441	Lecture

Brief Description of Undergraduate Courses Taught: (Course Title – Code: Description)

1	<p>Pediatric Nursing The course provides theory and practice essential for the nursing management of the well and ill children. Emphasis is placed on normal growth and development of children from infancy through adolescence. Clinical experience includes the study of the normal patterns of growth and development observed on children in nursery schools. This is in addition to the care of the sick child through clinical practice in Medical and Surgical Pediatric wards.</p>
2	<p>Critical Care Nursing The course focuses on the integration of knowledge and skills to provide safe, competent basic nursing care to critically ill patient. Emphasis on nursing skill and strategies directed towards the care of acutely and critically ill patient with the focus on the use of biomedical technology, planning care of patient with complex and specialized care needs.</p>
3	<p>Nursing Management and Leadership This course describes the concepts and principles relevant to managerial functions: planning, organizing, staffing, directing and controlling and their application in different nursing situations at the various health care settings. Also, it focuses on the key issues in nursing leadership, concepts, theories and their application into practice. This course will expose the student to the principles of quality management (QM), process of total quality management (TQM) as well, continuous quality improvement (CQI) and risk management including approaches in identifying and managing health care problems.</p>
4	<p>Fundamental of Nursing 2 Theoretical and practical components of this course are designed to provide students with an opportunity to demonstrate competency in performing basic nursing skills for individuals with common health alterations. The clinical labs will include simulations and interactions with patients in hospital or nursing home settings. The nursing process will serve as the framework for this foundational course.</p>
5	<p>Geriatric Nursing This course focuses on the normal and abnormal changes in elderly, the major causes of mortality and morbidity for the elderly and the roles of a nurse in promoting healthy aging.</p>

Course Coordination

#	Course Title and Code	Coordination	Undergrad	Post Grad	From	to
1	Pediatric Nursing	✓	✓		2015	Present
2	Critical Care Nursing	✓	✓		2015	Present
3	Geriatric Nursing	✓	✓		2016	Present

Student Academic Supervision and Mentoring

#	Level	Number of Students	From	to
1	Level 2	10	2016	2017
2	Level 4	7	2015	2016
3	Level 4	7	2014	2015

Administrative Responsibilities, Committee and Community Service (Beginning with the most recent)

Administrative Responsibilities

#	From	To	Position	Organization
1	2014	Present	Coordinator	College of Nursing (Male Section)
2	2014	Present	Supervisor	College of Nursing (Male Section)

Committee Membership

#	From	To	Position	Organization
1	2015	Present	Co-Chairperson	Quality Assurance and Accreditation

Personal Key Competencies and Skills: (Computer, Information technology, technical, etc.)

1	Expert in using Microsoft Word Office, Adobe Photoshop and Apple Application
2	Proficient in SPSS and NVivo
