

C.V.

Personal Details

Name : Dr. Gamal Mohamed Behery Essa
Address : University of Dammam, Faculty of
Community
Nationality : Egyptian
Phone No. : 0592163680
Email Address : gbehery@ud.edu.sa

Education

1. Bachelor of Science, Computer science, Suez Canal University, 1984
2. Master of Science, Computer science, Mansoura University, 1988
3. PhD of Science, Computer science, Friedrich-Alexander-Universität Erlangen-Nürnberg (Germany) and Mansoura University (Egypt), 1993
4. Associate Professor, Computer science, Mansoura University, 2008

Experience

- Demonstrator, Faculty of science, Suez Canal University, 1984
- Demonstrator, Faculty of science, Mansoura University, 1988
- Lecturer, Faculty of science, Mansoura University, 1988
- Assistant Professor, Faculty of science, Mansoura University, 1993
- Assistant Professor, Faculty of science for Girls, Computer Science Department, Dammam, 1997
- Assistant Professor, Faculty of science for Girls, Computer Science Department, KFU, Dammam
- Associate Professor, Faculty of science, Mansoura University, 2008
- Associate Professor, Faculty of science, Computer Science Department, KFU University, 2011
- Associate Professor, Faculty of science, Computer Science Department, University of Dammam, 2011
- Associate Professor, Faculty of Community, Computer Science Department, University of Dammam, 2014

Conferences and Seminars

- The Mediterranean Conference on Modelling and Simulation (MCMS'2003), Italy, Reggio Calabria, 25-27 June 2003.
- Forum Sixth National GIS in Saudi Arabia, Al Khobar - Meridian Hotel, Organizer: Eastern Province Municipality + Ministry of the Interior, from 24 to 26 April 2011.
- Third International Conference on Quality in Post-secondary education, Dammam - Sheraton Hotel - Saudi Arabia. Held during the period 27-29 / 4/2013.

Training and Workshops

1. Systems exams and student assessment (basic) from 08/10/2008 to 12/8/2008
University Development Center at the university.
2. Organizing scientific conferences (basic) from 3/8/2008 to 5/8/2008
University Development Center at the university.
3. Legal Aspects of universities (Optional Assistance professor) from 08/13/2006 to 15/8/2006
University Development Center at the university.
4. Teaching technology (basically Assistance professor) from 8/6/2006 to 8/8/2006
University Development Center at the university.
5. Time management and work pressure (Optional Assistance professor) from 30/07/2006 to 1/8/2006
University Development Center at the university.
6. Management of Scientific Research (basically Assistance professor) from 08/14/2005 to 17/08/2005
University Development Center at the university.
7. Twenty-first session to prepare a university teacher from 10/30/1993 to 11/30/1993
Teacher preparation program at the University of Mansoura University.
8. Cycle "engineering thinking and integrated into the curriculum and the curriculum" from 17/03/1430 to 03/20/1430 AH
Prince Naif Institute for Research and Advisory Services
University of Imam Muhammad bin Saud Islamic University.
9. Searching Mechanism in International Libraries, Journals and Scientific Center in Scientific Researcher Website, Held on 28-29 / 12/2009, Deanship of Scientific Research, Dammam University.

10. Analyzing data of quantitative researches using SPSS, Held on Moharram15, 1432H, College of Science, Dammam, Dammam University.
11. Cycle "skills in characterization programs and decisions" of 04/30 to 05/02 / 2011, the Faculty of Science for Girls, Dammam - Dammam University
12. Attend a workshop entitled Learning Outcomes for Programs and Courses on Tuesday on 20 November 1434, corresponding to August 27, 2013 nine o'clock in the building Deanship of Academic Development-Raka.
13. Attend a workshop entitled of Assessment Effective Methods on Wednesday on 21 September 1434, corresponding to August 28, 2013 nine o'clock in the building Deanship of Academic Development-Raka.
14. Fitness for the purposes of: selecting a suitable design for scientific research.

Other activities:

1. To participate in the preparation of the plan of study for the Department of Computer Science at the College of Dammam - General Agency for girls' education in the Eastern Province.
2. To participate in the preparation of the plan of study for the Department of Computer Education faculties in Jubail and drilling subcontractors - University of Dammam
3. To participate in the preparation of the plan of study for the Department of Computer Science and in the faculties of Arts and Khafji Alenairia - University of Dammam
4. To participate in the review of the vocabulary of the decisions for the people of Mathematics and Computer Science, Physics, Science and Statistics and Computer Science, Faculty of Science in Damietta - Mansoura University.
5. To participate in the preparation of the plan, according to the school system of credit hours for the people of Mathematics and Computer Science, Physics, Science and Statistics and Computer Science and in accordance with the quality system at the Faculty of Science - University of Damietta.

6. Participate in the preparation of the vocabulary of courses for the Division of Mathematics and Computer Science, Physics, Science and Statistics and Computer Science, according to the quality system, Faculty of Science - University of Damietta.
7. To participate in the preparation of the study plan in accordance with the quality system for the departments of Computer Science and Information Systems and Information Technology Community College Dammam University of Dammam.
8. Cycle Computer teaching faculty men Faculty of Arts in Dammam - Dammam University - held in 28/12/1431 AH until 02/02/1432 AH
9. Member of the Scientific Committee in preparation for the participation of the University of Dammam in the Student Scientific Conference in Jeddah during the second period 28-31 / 3/2011.
10. Member of the Scientific Committee in preparation for the participation of the University of Dammam in the Student Scientific Conference held during the third period 15-16 / 3/2012.
11. Member of the Scientific Committee in preparation for the participation of the University of Dammam in the fifth student scientific conference held during the period 11-12 / 2/1435 AH.

Certificates of Appreciation

1. Certificate of appreciation for the efforts and active participation that have contributed to highlight the activity in the Faculty of Science distinctive.
2. Certificate of Appreciation from the Deanship of Admission and Registration at King Faisal University for the efforts and fruitful cooperation which has had a significant impact on the success of the registration process for students.
3. Certificate of appreciation from the Dean of the Faculty of Science, King Faisal University to contribute effectively to the success of scientific activities at the Faculty of Science and by providing a panel discussion entitled "How to buy a new computer"
4. Certificate of appreciation from the Dean of the Faculty of Science, King Faisal University to contribute effectively to the success of scientific activities at the Faculty of Science and by providing a panel discussion entitled "Scientific research the pros and cons"

5. Certificate of appreciation from the Dean of the Faculty of Science, King Faisal University to contribute effectively to the success of scientific activities at the Faculty of Science and by providing a panel discussion titled "Learning MATLAB"
6. Certificate of appreciation from the Dean of the Faculty of Science, King Faisal University to contribute effectively to the success of scientific activities at the Faculty of Science and by providing a panel discussion entitled "Fuzzy Logic"
7. Certificate of Appreciation from the Deanship of Scientific Research for the girls' colleges in the Eastern Province, King Faisal University on the feet of the high moral and high mettle and great wisdom while participating in the scientific meeting (II) entitled "the product of scientific pioneers."
8. Certificate of Appreciation from the Dean of the Faculty of Science for Girls in Dammam for the efforts and active participation that have contributed to highlight the activity in the Faculty of Science distinctive.
9. Certificate of Appreciation from sections of mathematics and computer - Faculty of Science - University of Dammam indicate tender and dedication in the service of the college through the sections.
