

C.V.

Personal Details

Name : Manal Ebrahim Al-Ohali
Date of Birth : 18 / 9 / 1970
Address : Dammam
Gender : Female
Marital Status : Married
Nationality : Saudi Arabia
Religion : Muslim
Phone No. : 0548144406
Email Address : malohali@ud.edu.sa

Experience

Academic and administrative experience	Professional experience	Teaching experience	Research experience
A Head of the department 1. Mathematics dept. 2. Computing dept. 3. Business administration dept.	Teaching Higher Studies	Advanced Statistics	Research projects
Chairperson of the Committee postgraduate	Member of the development of Curriculum Committee	Introduction of statistics and probability	Member of a research team
Coordinator of E-Learning	A member of the Monitoring Committee	Introduction to probability	
Section Coordinator for Student Conference	Teaching in other college	Statistics and its application	
	Preparation of specialized workshops	General Mathematics	
		Calculus	

Training

Training courses	Workshops
Microsoft Excel	Managing the Development of Communication Skills
Course in SPSS program	Preparing lectures electronically (in Web City)
Course in Matlap program	City Web designers
Course in Scientific work place program	Development of supply and diction skills
Course Evaluation Survey [ces]	Skills programs and courses characterization
Elluminate live	Teach analytical thinking and creative and practical within the curriculum

Upgrade faculty members	E-content design
Supervisory skills in team building	Curriculum design in light of the education outputs (decision) Characterization
Skills programs and courses characterization	Evaluation of academic achievement
Course in the program matlap	Professorship sponsors
	Effective English Communication skills program
	Building a learner –centerd learning process of course
	Conducting quality surveys,dataanalysis and reports
	Teaching Skills in the 21st century
	Preparation and Editing of scientific papers for publication in international journals

Scientific Publishing arbitrator

Pages	Vol.& Issue no.	Journal or Publisher	Year of Pub.	Title	Author(s)	No.
95-105	Vol. 8 No.(1)	The Egyptian Mathematical Society,	2000	Bayes 2-Sample Prediction for the Pareto Distribution	Ahmed A. Soliman and Manal E. Al-Ohaly	1
439-455.		Proc. Of the Saudi Science Conference . KFUPM	2001	Prediction in the Presence of Outliers and Random Sample Size from the Pareto Model	Ahmed A. Soliman and Manal E. Al-Ohaly	2
115-134	Vol(66) No.4	Archives Des Sciences	2011	Estimating the Completion time of Stochastic Activity networks with uniform distributed activity Times	Yousry H Abdelkader, M Al-Ohali	3
577-583	Vol(9) No.3	Life Science Journal	2012	Reliability Equivalence of Independent Non-identical Parallel and Series Systems	Yousry H. Abdelkader; A. I. Shawky and M. A l-Ohally	4
75-85	Vol 20, No. 3;	wulfenia	2013	Reliability Equivalence Factors in Exponentiated Exponential Distribution	A.I. Shawky Yousry H. bdelkader and M.I. Al-Ohally	5
115-134	Vol 66 No. 4	Archives Des Sciences	2013	Estimating the Completion time of Stochastic Activity networks with uniform distributed activity Times	H. Abdelkader and M.I. Al-Ohally	6
