Academic Qualifications (Beginning with the most recent)

Date	Academic Degree	Place of Issue	Address
11/1981-09/1987	MBBS	King Edward Medical College, Lahore, Pakistan	

PhD, Master or Fellowship Research Title: (Academic Honors or Distinctions)

PhD	Major: Epidemiology; Minor: Biostatistics; University of South Carolina, USA. May 1995
Master	MPH. Major: Health Administration; University of South Carolina, USA. December 1991
Fellowship	

Professional Record: (Beginning with the most recent)

Job Rank	Place and Address of Work	Date
Professor	Family and Community Medicine Department, College of Medicine, IAU, Saudi Arabia	10/2014 – to date
Professor	Community Medicine Department, Fatima Jinnah Medical University, Lahore, Pakistan	09/2009-09/2014

Adjunct Professor		King Edward Medical University, Lahore	05/2011 – to date
Associate Professor		Community Medicine Department, Allama Iqbal Medical College, Lahore, Pakistan	12/2008 – 5/2009
Foreign Professor of Epidemiology/Assistant Professor		Institute of Public Health, Lahore, Pakistan	09/2005 – 12/2008
Consultant Epidemiologist		Department of Primary Care and Preventive Medicine, Riyadh Military Hospital, Riyadh, KSA	08/2000 – 06/2005
Consultant Epidemiologist		Saudi Field Epidemiology Training Program, Riyadh, KSA	07/1999 – 06/2000
Research Assistant Professor		Department of Epidemiology & Biostatistics, University of South Carolina, School of Public Health, USA	07/1995 - 09/1997

Administrative Positions Held: (Beginning with the most recent)

Administrative Position	Office	Date
Editor	Journal of Family and Community Medicine, KSA	07/2014 – present
Chair	Community Medicine Department, Fatima Jinnah Medical University, Lahore, Pakistan	09/2009-09/2014
Dean	Institute of Public Health, Lahore, Pakistan	10/2011 – 07/06/2012
Member editorial Board and Reviewer	Journal of Fatima Jinnah Medical College, Pakistan	2009-present
Member Editorial Board and Reviewer	Journal of Ayub Medical College	2008-present
Reviewer	Journal of Faisalabad Medical College, Pakistan	2008-present
Director Research center	Institute of Public Health, Lahore, Pakistan	12/2005 - 12/2008
Member editorial Board and Reviewer	Saudi Medical Journal	2003-2005
Director of Biostatistics	Division of Biostatistics, Office of Public Health Statistics and Information Systems, South Carolina Department of Health and Environmental Control (SC DHEC)	09/1997 - 07/1999

Completed Research Projects

#	Name of Investigator(s) (Supported by)	Research Title	Report Date
1	Co-Investigator, P.I., L. Shi	Infectious Disease Morbidity Associated with Child Day Care, Centers for Disease Control and Prevention	10/95 to 9/98
2	Co-P.I.	Development of a Real-Time Infectious Disease Surveillance and Response System for Pakistan: Responding to Human Well-Being in Times of Threat; (Co-PI) DTRA, Purdue University,	10/12 to 06/14
3	M.N.Ayyaz	Dengue Epidemic Surveillance Modeling, Visualization, and Response Management System	04/13 to 04/16
4	P.I.	Issues related to Medical Education in Pakistan. 2010-2011 (PI – Work presented in 4 th International Conference on Medical Education, 2012. Won First and Second Young Researcher Award; First and Third Poster Presentation Award.	2012
5	P.I.	Issues related to Medical Education in Pakistan. 2012-2013 (PI – Work presented in 5 th International Conference on Medical Education, 2013. Won First, Second, and Third Young Researcher Awards; First and Second Poster Presentation Award. (Published articles)	2013
6	P.I.	Issues related to Medical Education in Pakistan. 2013-2014 (PI – Work presented in 5 th International Conference on Medical Education, 2014. Won First, Second, and Third Young Researcher Awards; First and Second Poster Presentation Award. (Manuscripts under preparation)	2014

Current Researches

#	Research Title	Name of Investigator(s)

Contribution to Scientific Conferences and Symposia

#	Conference Title	Place and Date of the Conference	Extent of Contribution
1	Injury Surveillance and Epidemiology of Injuries	King Faisal Hospital Research Group 2000	Speaker
2	Food poisoning: Outbreak Investigation	Workshop on Food Poisoning, Riyadh Military Hospital, 2002	Coordinator and Speaker
3	Statistics in Medical Research	Riyadh Military Hospital 2002	Director, and Speaker
4	Study Designs and Data Analysis	Riyadh Military Hospital, 2003	Coordinator, and Speaker
5	Planning and Conducting Research, WORKSHOP	Riyadh Military Hospital 2003, 2004	Director, and Speaker
6	Statistics in clinical Research, Director of WORKSHOP	Riyadh Military Hospital 2004	Director, and Speaker
7	How to Conduct Research?	Institute of Public Health, 2007, 2008	Director, and Speaker
8	Dengue Fever: Prevention and Control.	Fatima Jinnah Medical College 2011	Director, and Speaker

Membership of Scientific and Professional Societies and Organizations

- Member, Society for Epidemiologic Research (SER) 1996-2000
- Member, American Public Health Association (APHA) 1993-2000
- Member, Pakistan Public Health Association 1989-present
- Member, South Carolina Public Health Association 1993-2000
- American Society of Microbiology 2003-2005
- Delta Omega Society 1998-

1	1998	1999	Member	South Carolina Diabetes Surveillance Council
2	1997	1999	Member	South Carolina Injury Surveillance Group
3	1997	1999	Member	South Carolina Cancer Registry Data Analysis Committee
4	1999	2005	Member	Polio Surveillance Committee, Saudi Arabia
5	2000	2005	Team leader,	Outbreak Investigation Team, Riyadh Military Hospital, Saudi Arabia
6	2010		Member	Health Promotion Curriculum Committee, SOHIP, Lahore, Pakistan
7	2010		Member	Health Promotion Oriented Primary Health Care Committee, SOHIP, Lahore, Pakistan
8			Convener and member	several committees, Fatima Jinnah Medical College, Lahore
9	2011	2012	Member	Dengue Emergency Response Committee Punjab, Lahore, Pakistan
10	2011	2012	Chair	Dengue Task Force, FJMC/SGRH, Lahore, Pakistan
11	July 2017	Present	Member	Dengue Cabinet Committee Punjab, Lahore, Pakistan -
12	July 2017 –	Present	Member	Dengue Technical Advisory Committee Punjab, Lahore, Pakistan

Scientific Consultations

#	From	To	Institute	Full-time or Part-time

Volunteer Work

#	From	To	Type of Volunteer	Organization

AREAS OF INTEREST

- Design and conduct of epidemiological studies;
- Data analysis;
- Disease surveillance;
- Outbreak investigations;
- Program management and Administration;
- Infectious and chronic disease epidemiology, Injuries, HIV/AIDS, Diabetes, physical activity, behavioral risk factors, MCH)

EXAMINER/SUPERVISOR

- University of Dammam
- Punjab University, Lahore
- Fatima Jinnah Medical University, Lahore
- King Edward Medical University, Lahore (KEMU)
- University of Health Sciences, Lahore (UHS)
- National University of Science and Technology, Islamabad (NUST)

Reports:

- South Carolina Alzheimer's Disease Registry, 1996 Report, Prevention Center, SPH, USC, 1997.
- SC DHEC. The Health of South Carolinians, 1998.
- SC DHEC. The Minority Health Report, 1998.
- SC DHEC. The Health of South Carolinians, 1999

Personal Key Competencies and Skills: (Computer, Information technology, technical, etc.)

1	Proficient in data analyzing such as proportional hazard regression, logistic regression, complex sampling survey data
2	Proficient in dealing with large datasets (NHANES, Cooper Clinic Data, Vital Records Data including birth death cohort files for infant mortality, BRFSS Data, PRAMS Data)
3	Proficient in programming with SAS language.
4	Proficient in use of Epi Info.
5	Experience with SPSS, SUDAAN
6	Proficient in MS-Word, MS-Excel, MS-PowerPoint, Word Perfect.
