Building A11

#	Location	LAB No.	Type	Description
1	3st floor	2023	Electronics LAB (Specialized lab)	Windows operating system that serve in the following courses: Programming , digital and electronic hardware.
2	3st floor	2035	Digital LAB (Specialized lab)	Windows operating system that serve in the following courses: Programming , digital and electronic hardware.
3	2st floor	1140	Network LAB (Specialized lab)	Windows operating system that serve in the following courses: Programming , network and communication.
4	2st floor	1231	Cyber security LAB (Specialized lab)	Windows operating system that serve in the following courses: security courses.
5	2st floor	1154	AI LAB (Specialized lab)	Windows operating system that serve in the following courses: Artificial intelligence , machine learning and robot.
6	G-floor	G188	Mac LAB (Specialized lab)	Mac operating system that serve in the following courses: Programming , operating system, data mining, mobile applications.
7	G-floor	G190	General LAB	Windows operating system that serve in the following courses: Programming , data mining, mobile applications and web applications.
8	G-floor	G193.A	General LAB	Windows operating system that serve in the following courses: Programming , data mining, mobile applications and web applications.
9	G-floor	G199	General LAB	Windows operating system that serve in the following courses: Programming , data mining, mobile applications and web applications.
10	G-floor	G176	General LAB	Windows operating system that serve in the following courses: Programming , data mining, mobile applications and web applications.
11	G-floor	G116	General LAB	Windows operating system that serve in the following courses: Programming , data mining, mobile applications and web applications.
