IMAM ABDULRAHMAN BIN FAISAL UNIVERSITY

Ethics and Research Program

Place of Activity	Online- Zoom Webinar
Date of activity	Sunday 20/9/2020
Time of activity	6:30 to 7:30
Number of attendees	24

The college of medicine “Alumni Unit and Career Development” of Imam Abdulrahman Bin Faisal University (IAU), achieved its 2nd activity in the academic year 2020-2021 entitled “Ethics and Research” presented by Prof. Dr. Ahmed Ammar. The program was held online, through a Zoom webinar, on Sunday the 20th of September 2020. It aimed to emphasize the importance of addressing the ethical aspect in all research components, since it is becoming an essential part for academics and students in different sectors. In addition, it highlighted the areas where ethical breaches commonly falls, and the ways to avoid such errors. The attendance was 24 in total. In conclusion, an online survey was provided at the end for feedback and evaluation.

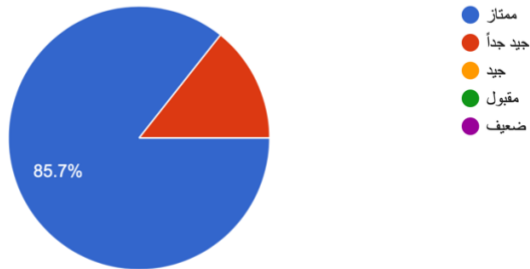

This activity was organized and lead by: Shahad Alabdulqader.

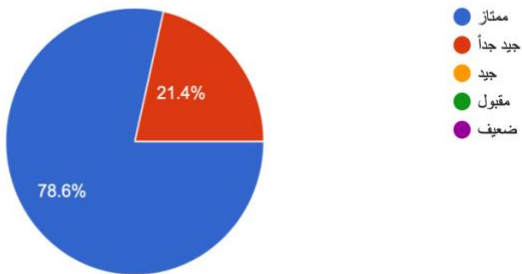

Presented by: Prof. Dr. Ahmed Ammar.
