## Second years medical students' orientation

Place of Activity	Lecture Hall, College of Medicine
Date of activity	Thursday; 19/9/2019
Time of activity	11:00 to 12:00
Number of attendees	48

On Thursday, 19 September 2019, the College of Medicine Unit Of Alumni and Career Development held its first lecture for academic year 2019-2020 entitled "Second Year Medical Students' Orientation" which aim to prepare the students for all medical years. The lecture covers on how medical student's life differ, how to get an A+ and a lot of details about the new curriculum and its difficulties.

The lecture outlines:

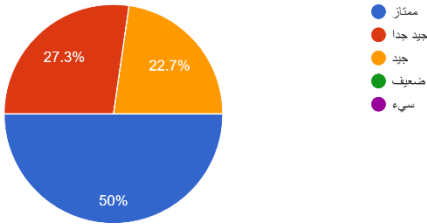

- Medical School outline: A description of the 5 academic years with emphasis on the main subjects and challenges in each year
- Advice on how to navigate medical school: General guidelines and principles to help new students acclimatize with medical school requirements
- Methods of studying: A description of different approaches to studying based on student and curriculum factors
- Types of study material: A comparison of study resources based on yield and information.
- How to tackle problem based learning: A specific elaboration on PBL sessions and how to get the most out of them
- Pitfalls in approaches to medical school: Common mistakes and misconceptions encountered by medical students
- Extra-Curriculum activities: The role and value of extra-curricular activities in supplementing student life and skills
- Question and answers session

This activity is lead and organized by Saleh Alsaidan, Mohammed Alqahtani and Hussam Alsafwani.

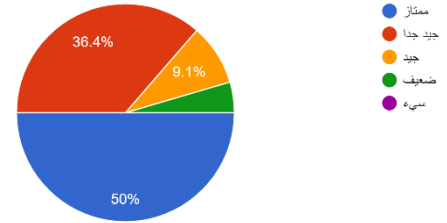

Presented Activity: Abdulaziz Abuhaimed and Abdulaziz Almulhim.

جزاكم الله خيرا ووفقكم في مسيرتكم

محاضرات ال medical terms الدكتور الاساسي ما كان موجود فقل من جودة المحاضرات استفدت جدا من المتحدثين وخبراتهم وكان فعلا من التهيئات اللي تستفيد منها عكس الأغلبية فعلاً استفدنا من العرض. بشكراً.

تقديم رائع ونصائح جداً مفيدة

نشكركم على جهودكم والتقديم كان ممتاز و مفيد لادن اعتقد لو انها كانت من محاضرة الاسبوع الاول التوجيهي و كان فيها تفاصيل اكثر لسنوات الدراسة الي بنقابلها و سنو الي المفروض الطالب يبدأ يشتغل فيه من الآن من أنشطة لا منهجية راح تفيده بعد التخرج راح تكون افضل
