Statement of Undertaking

Student/Trainee/Research Assistant

Dr.....

University/ College/ Department.....

I pledge my above data to attend the entire induction workshop on the services provided to the BASRC research center and the security and safety controls followed at the center.

I also pledge to abide by the Centre's policies and procedures and the following controls

- Compliance with rules of work, security, and safety in the laboratory.
- Preserve all the contents of the laboratory including glassware, tools, and devices.
- The supervisor of the laboratory is responsible, if any problem occurs in the lab.
- In the event of any damage or damage to the laboratory tools, the student undertakes the first time not to repeat this.
- In the event of repeated error and damage to the laboratory, the student is prevented from entering the laboratory for a full semester.
- If the experience continues outside the official working time, the research assistant/student/apprentice/trainee shall undertake to close simple devices such as balances and others after the completion of the work.

And so, it was signed.
