Teacher Assessment Form

Imam Abdulrahman Bin Faisal University seeks your feedback to maintain and improve teaching standards. The ratings that you provide will be combined with those of other resident assessments to formulate a confidential collective assessment that will be provided to the teacher each year. Therefore, it is expected that you will provide honest, constructive and professional feedback.

Part A – General Assessment

The following areas you are being asked to comment on are generally accepted indicators of good teaching practice. Kindly rate this teacher on each of the following areas by inserting “X” in the appropriate column for each characteristic. For those areas that you rate with teacher with a 1, 4 or 5, please provide a brief justification for your rating in the space provided underneath the table.

Part A-1

This teacher:	1 Never	2 Occasionally	3 Frequently	4 Usually	5 Always
Made him/herself available to me within reasonable limits
